

To whom it may concern;

It's my pleasure to write you and let you know about an exciting opportunity.

For the 5th year in a row, we will be helping to raise funds for the Sioux Falls chapter of the Muscular Dystrophy Association. Each year we donate a Resurrected Ride (resurrectedride.com) assembled through generous contributions. Tickets are sold for the car and every dime raised is given to the MDA.

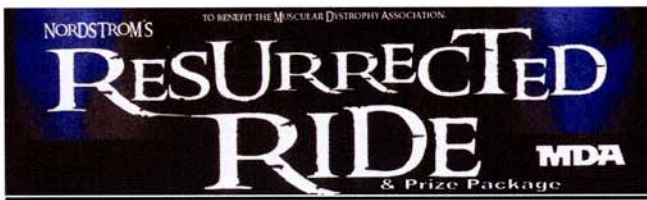

We will be unveiling our Resurrected Ride at the Big Boy Toy Show on January 16th, 2009. The Resurrected Ride will be given away at Automania in Sioux Falls on June 17th, 2009. We are looking to make this a successful fundraiser for the MDA and appealing to potential ticket purchasers, so any donation would be greatly appreciated. If you would like to contribute to our new and exciting prize package (\$100 minimum) or contribute in any other way, please let me know asap.

What this means for you: All donation suppliers and logo will be mentioned on all posters, signage with the Resurrected Ride and will be mentioned on the website. The car will be attending numerous shows and at numerous businesses from January through June, 2009. This will give you much visibility and show potential and current customers that you support a local non-profit organization. We also ask that whatever you donate be available by January 16th so that we can display the items, certificates, etc. as part of the Resurrected Ride. In an effort to maintain exclusivity, donations will be accepted on a first committed per product basis. Examples of current donations: free window tint, remote vehicle start, \$100 in general products and services to a business and even \$1000 cash prize.

We thank you for your consideration, and look forward to your sponsorship and working with you as we have fun and raise money for the Muscular Dystrophy Association.

Shannon Nordstrom

E-mail _____

We will contribute the following:

This donation will be available on the following date: _____

This donation is made free and clear and has a minimum value of \$100. We give permission to use our name and logo where necessary in the promotion of this fundraiser for the local chapter of the MDA.

Donations will be used as necessary to bring awareness to the MDA promotion. Some prizes may be merged into packages. The Resurrected Ride Committee will work to avoid conflicts in competitive company prizes. If there is a dispute, we will use the first committed prize by date.
